

Pricing

Pricing for Adda’s trade auditing service is simple and transparent. Starting at just £99 per month for corporates, and £800 for institutions, we offer a flexible structure where charging category is subject to the FX volume being processed by our systems and analyst.

The subscription is typically 6 to 12-months with payments being made either by card via Swipe or Direct Debit via Go-Cardless. In some circumstances, we can facilitate invoicing for bank transfers.
